\$190

The complete text of the libretto of Tosca, with additions, corrections, glosses, page proof fragments, musical sketches, and sketches of stage settings. Illica, Giacosa, Ricordi and Puccini worked together on Tosca and established an intense professional relationship, which is brilliantly reconstructed in this well-documented volume. A fascinating insight into the creative process and a detailed description of the genesis of Tosca.

Handsome paper covers after the original.
